Our Mission

For the past 21 years, our non-profit organization, For the love of Children Society of Alberta has been helping special needs children who suffer from high-risk, life threatening illness here in Canada and abroad. We enable and facilitate for families with special needs children in gaining access to specialized alternative treatments and equipment not found in Canada or not accessible due to financial constraints. Our mission extends to help children who live in poverty, abuse, neglect and those who are homeless.
