Dear Mr. Bahl:

On behalf of the Alberta Children's Hospital, I would like to thank you for your continued support of our patients and programs and congratulate you on the 30th anniversary of the For The Love of Children Society of Alberta.

Your support has enriched the lives of many children and families at the Alberta Children's Hospital. Monies your foundation provides goes towards specialized equipment like strollers and lifts, technology such as augmentative communications devices and life-sustaining products such as formula and medications.

Your generosity helps provide life-saving and life-altering care to more than 76,000 children and their families in Alberta, southeastern British Columbia and southwestern Saskatchewan. From our patients and the staff at the hospital, a heartfelt thank-you.

Sincerely,

A handwritten signature in cursive script that reads "Margaret Fullerton".
