Since 1980, **For the Love of Children Society of Alberta** has helped over 100,000 disadvantaged children in Canada and around the world.

With the help of our generous supporters, we have been able to provide access to education, medical care, clean water, emergency relief, built schools and orphanages, constructed wells and aided with medical bills.

As we embark on our 2012 Passage to India we feel that it is our duty and privilege to lend a hand, share some hope and give those less fortunate the tools to create a better future for themselves. For more details please visit our website:
