Canadian philanthropist lauds OWA

NAHARLAGUN, Feb 19: Ashid Bahl, founder president of 'FOR THE LOVE OF CHILDREN SOCIETY of ALBERTA CANADA' visited Oju Welfare Mission along with former minister Thupten Tempa and his elder brother Thinley Topgyal. The team appreciated the mission and association for its yeoman's service to the humanity, interacted with the children and presented jackets to them.

Impressed with various activities, Bahl donated US \$500 to OWA chairperson Biny Maya Yanga and hoped that the two organisations will collaborate in the future for the cause of underprivileged children.
