

Dear Mr. Ashid Bahl

When in 2011,10,5, We could meet you and Mrs. Machiko.

We felt very happy.

Thank you for your Big presents to Yamada south elementary school..

The theme of their school excursion was

“ Let’s convey our gratitude and enjoy!”

When,we met you at Hiraizumi, we were very happy.

After the school excursion, they and their parents are satisfied.

Now, 6grade students are writing a memory of the own life of school.

A lot of student’s best memory is school excursion.

We never forget your Love.

Many thanks!
